- A) you should study regularly.
- B) you should revise at home.
- C) you shouldn't make mistakes.
- D) you shouldn't stay up late at school.

6-8. soruları aşağıdaki metne göre cevaplayınız.

Our brain has two hemispheres. Our left brain is responsible for logical processes. Left brained people prefer studying sitting up. When they read, they look for pieces. Our left brain analyses things, takes pieces and arranges them. Left brained students can express themselves and facts. Right brained students know their feelings but can not express them in words. They have talent in music. Creative writing may be a good activity for a right brained student but it isn't for a left brained one.

6. "..... is a good activity for a right brained student."

- A) Solving problems
- B) Writing an imaginary story
- C) Expressing themselves in words
- D) Doing experiment

7. "Left brained people are .....", cümlesini tamamlayan seçenek hangisi değildir?

- A) logical
- B) analytical

- C) reasonable
- D) emotional

8. "..... prefer studying lying down." cümlesini tamamlayan seçenek hangisidir?

- A) Right brained people
- B) Left brained student
- C) Logical people
- D) Two hemispheres

9-10. soruları aşağıdaki metne göre cevaplayınız.

Susan : Mum, can you help me with my homework?

Mother : Of course, dear. What is it about?

Susan : It is about addition problems in maths.

Mother : Oh, I see. Did your teacher explain it in class?

Susan : Yes, mum. But I can't learn when someone explains.

Mother : What kind of activities are you good at?

Susan : I am really good at drawing.

Mother : Hmm. I see, you learn better when you see it. Is it right?

Susan : Absolutely.

Mother : OK. Let's solve the problem using these apples then.

9. What is her problem?

- A) She doesn't like maths.
- B) She has a difficult project.
- C) She can't learn through hearing.
- D) Her mother can't help her.
