This image shows a full page of handwriting practice paper. It contains ten identical horizontal rows designed for letter formation. Each row is defined by three lines: a solid black top line, a dashed black middle line, and a solid black bottom line. The rectangular space between the middle dashed line and the bottom solid line is filled with a light blue color to provide visual feedback on letter height. The rows are evenly spaced across the entire page, providing ample room for practicing various letters and words.

Tülü itina ile ütüle.
